

Welcome to our email and text communications!

You are automatically enrolled to receive **emails and text messages** from our office regarding your appointments and general care communications.

- ⊗ **General Care Communications:** Through the durations of treatment, we communicate with patients around coordination and delivery of care, and not about patients' balances, or our office policies.

We comply with all aspects of the Telephone Consumer Protection Act (TCPA) as it relates to email and text message content.

Although the business does not charge you for this service, it does not pay for text message charges that may be incurred by you for sending or receiving text message. Check with your wireless carrier for possible charges.

You can unsubscribe from text communications at any time.

If you do not want to receive email or text messages, please unsubscribe here:
